

PUBLIC DISPLAY OF IMAGES AND FOOTAGE

2024 onwards

PUBLIC DISPLAY OF IMAGES AND FOOTAGE

Only contracted, *bona fide*, agents are affiliated with Bill Harrop's "Original" Balloon Safaris and are extended concessions for the *public display, publication and/or distribution* of rates and packages.

Unlike *creative images and videos* taken by the public, **company-owned images and videos have restrictions on their usage.**

Restricted Uses:

- a. No Unlawful Use. You may not use content in a pornographic, defamatory or other unlawful manner, to promote violence or hatred, or in violation of any applicable regulations (including for sports content, any restrictions or credentials issued by a sports league or governing body) or industry codes.
- b. No Alteration of Editorial Content. Content marked "editorial" or "intended for editorial" may be cropped or otherwise edited for technical quality, provided that the editorial integrity of the content is not compromised, but you may not otherwise alter the content.
- c. No Standalone File Use. You may not use content in any way that allows others to download, extract or redistribute content as a standalone file (meaning just the content file itself, separate from the project or end use).
- d. No Sensitive Use Without Disclaimer. If you use content that features models or property in connection with a subject that would be unflattering or unduly controversial to a reasonable person (for example, sexually transmitted diseases), you must indicate: (1) that the content is being used for illustrative purposes only, and (2) any person depicted in the content is a model. For example, you could say: "Stock photo. Posed by model." No disclaimer is required for content marked "editorial" or "intended for editorial" that is used in a non-misleading editorial manner.
- e. No False Representation of Authorship. You may not falsely represent that you are the original creator of a work that is made up largely of licensed content. For instance, you cannot create artwork based solely on licensed content and claim that you are the author.

Any unlawful and prohibited usage of company-owned images for publication will be prosecuted to the extent of the copyright statute and law.
